

DynaPep® Energy Announces New Distribution with Ahold USA

October 24, 2011: Boca Raton, FL-DynaPep® Energy, creator of the world's first Supercharged Energy Micro-Shot today announced that it has signed a new distribution agreement with Royal Ahold, an international supermarket group. DynaPep® Energy will be distributed in three of the company's divisions, Giant-Carlisle, Giant Foods Landover and Stop and Shop.

Emerging Products Development Group (WFI), CEO Lisa Krinsky stated "I am very pleased to be partnering with a company like Ahold USA. Their global reach is something we have been looking for. The company's commitment to seeking out the best products and vendors makes this new relationship even more valuable. We look forward to growing our presence among their stores globally."

About Ahold USA

Ahold USA is an international group of quality supermarkets based in the United States and Europe. Stop & Shop is one of the leading food retailers in the northeast United States and the pioneer of the superstore concept in New England. Today the company operates over 380 stores employing approximately 61,000 employees throughout Massachusetts, Connecticut, Rhode Island, New Hampshire, New York and New Jersey. Giant Landover is one of the leading supermarket brands in the Washington D.C. area and a committed partner to the communities it serves. The company operates 180 supermarkets in Virginia, Maryland, Delaware, and the District of Columbia, and employs over 23,000 people. Giant Carlisle operates more than 120 stores in four states - Pennsylvania, Virginia, Maryland and West Virginia and employs approximately 22,000 full and part-time employees.
